

Sept 2011
Dear Sir / Madam

Back with a wee up date to let you know what is happening at the Beech Tree. It's been a reasonable season this year even with lots of rain and we now seem to be ploughing our way into winter at a rapid rate. We therefore wanted to cheer you up with some good news about some value for money deals we have on as well as keeping you up to date..

In June we managed to get our outside Breakfast Shed up & running on the West Highland Way, and it has been a great success. We are closing it down for the winter which will give us chance to make a few changes & it will be re-opened in April next year. We also hope to get planning permission to provide a toilet for the west highland way walkers.

Our T-Shirt company is doing well – G63 T-shirts. We now have a small display at the Beech Tree & people are already ordering them for Christmas gifts. We are offering value for money in designing your own T-Shirt at only £10.00 whether it be for someone special or for a joke, I am sure you will agree it's a great price to give someone a gift that they can use time & time again. For full details see our website www.G63t-shirts.co.uk. We are also on Facebook and would really appreciate it if you can click on the “like” button as then we can reach a lot more people a lot faster.

The winter opening hours of the Beech Tree have changed this year. From the 1st of October until April we are now open 7 days instead of just the 5 days. We will now be open for lunch on a Monday, Tuesday & Wednesday from 12 noon till 4pm. Thursday to Sunday will be the normal 12 noon opening serving food right through to 9pm. In previous years we have closed on both the Monday & Tuesday.

I gave up the lease of the Rob Roy on the 20th of July, meaning that I can now concentrate on my two main businesses. Being a single person I was struggling to juggle the time for the Rob Roy and with the credit crunch coming 4 months after taking it over, it feels like the past 3 years have been a very difficult hard slog in a difficult trading period. I am delighted that now I can now focus 100% of my time on the Beech Tree & G63 T-Shirts.

We have introduced a special promotion for this winter ~ ½ Price Pizza & Pasta. This is for both carry out as well as sitting in the restaurant. This offers incredible value for money at a time when everyone is seeing raising costs. We appreciate the support you give us all year round & enjoy giving something back to say thanks when we can. Details of this promotion are below.

The pygmy goats are a great hit, to be completely honest they are spoilt rotten by the staff who have all fallen in love with both Billy & Tom. We had our Shetland ponies here for the school holiday & they will return in the school holidays next year, & the rabbits have settled in well to their new home in the garden.

Christmas is looming and we are currently putting together our finishing touches to the Christmas menu. Good news – we are keeping our prices at last year’s prices even although food costs have risen dramatically. A two course menu will be £10.00 or a three course menu £15.00 offering great value for money.

Our take away service continues to be a success, however instead of a separate take away menu we are now discounting the whole of the main menu by 20% for the Take Away menu in addition to the menu below.

1/2 PRICE PIZZA & PASTA

MON TO WED - 1PM TILL 3PM
THURS TO SUN - 1PM TILL 3PM & 5PM TILL 7PM

One beverage must be purchased with each main course & orders must be placed by within the times above to qualify for this offer. This promotion is not valid with any other offer including bonus cards. The promoter reserves the right to withdraw this offer at any time.

We hope to see you all soon, & many thanks once again
Regards
