### Bottles to Take Home

**Hoegaarden (Belgian)-5.0% - 330 ml** £2.35

Europe's number one white beer. It is brewed with orange peel & coriander, to give it a unique & distinctive taste. All the natural goodness is left in the beer during the brewing process giving it a cloudy appearance. An ideal accompaniment to food, especially fish & salads, it has a lovely fruity taste.

**Chimay Red Beer (Belgium)- 7.0% - 330 ml** £2.55

The logo "Trappist" certifies that this ale was brewed within the walls of an existing trappist monastery under the control of the trappist community. A major part of the sales revenue is used by the monks to support charitable works. Chimay red is characterised by a silky taste on the tongue & a slight touch of bitterness towards the end.

**Fraoch Heather (Scottish)-5.0% - 500 ml** £2.55

Heather ale has been brewed for thousand years in Scotland & is the oldest style of ale still made in the world. It has a floral aroma & has a spicy herbal flavour

**Lefte Blonde (Belgian)-6.6% - 330 ml** £2.35

It is a dry, fruity, lightly spiced beer & is quite full & creamy. It blends strength & subtlety, the bitterness being delicate extending over the whole palette & even to the aftertaste. This aromatic beer goes well with fuller flavoured & spice food, it is also especially good with seafood.

**Krusovice (Czech Republic)-5.0% - 500ml** £2.55

A classic Czech lager brewed by royal brewery Krusovice, founded in 1581. A full bodied lager with a dry finish. The highest quality of raw ingredients assures the excellent taste of the beer.

**Peroni - Nastro Azzuro (Italy) -5.2% - 330 ml** £2.25

A high quality single malt beer made by Peroni. The no.1 premium Italian beer, combining an intensely crisp & refreshing taste with an unmistakable touch of Italian style.

**Brothers Pear Cider -4.7% - 500 ml** £2.90
